Monogram Loves Kids Foundation Grant

The library is excited to announce that we have received a grant in the amount of \$5,000 from the Monogram Loves Kids Foundation. The grant dollars will aid us in adding a NEW interactive play center in our children's department. This project is only half way to our funding goal of \$10,000. If you would like to support our new interactive play center project, please consider making a donation to our library. Construction of the project will begin once all funds are raised.
